This lovely 997 Carrera S with desirable options, full history and a low mileage is now available. This car was delivered new in Belgium and this example shows class and elegance but with a small hint of spirited and sporty driving... The classic Arctic Silver exterior with 'Lobster' wheels and the silver Porsche script on the rear (added later on) matches incredibly well with the Beige Full Leather interior. Open the door and you are greeted by sports seats, sports steering wheel and Sport Chrono Plus and above all, the amazing manual gearbox. Stopping power and quality is assured by the Porsche Ceramic Brakes (PCCB). Turn the key and you're struck by a lovely rasp but dressy sound from the exhaust system.

This Carrera S comes with original maintenance books, full history and both original keys. Mouth

watering in the color combination Arctic Silver with full leather beige interior. All paint is original and the car is thus of course completely accident free. A beauty to see, a great driving and tight steering sports car from our beloved and cherished brand. Plenty of power available with its 355 HP for wonderfully relaxed cruising on the cruise control, or for sporty driving by means of control of the wonderful manual gearbox with factory short shift.

This car is currently registered in Belgium.
