This classic 997 Carrera with full history and a low mileage is now available. This car was delivered new in Italy and this example sports the classic Arctic Silver exterior over black leather interior. Open the door and you are greeted by the sober interior and the amazing manual gearbox. Turn the key and you're struck by a lovely rasp but dressy sound from the exhaust system. This car benefits a modified exhaust by the well known specialist 'Carnewal'.

This Carrera comes with original maintenance books, full history and both original keys. Classic 911 in Arctic Silver equipped with the great Xenon headlights and the rear wiper. All paint is original and the car is thus of course completely accident free. Only the front bumper has seen a respray due to stone chipping.

A beauty to see, a great driving and tight steering sports car from our beloved and cherished brand. Plenty of power available with its 325 HP for wonderfully relaxed cruising on the cruise control, or for sporty driving by means of control of the wonderful manual gearbox with factory short shift.

This car is currently registered in France and is sold on behalve of the customer.
