

1985

# Porsche 911 3.2 Cabrio

Price on request

This European 911 3.2 convertible is extremely well maintained and it really shows! The rare and unique 'Gold Metallic' paint was available in '85 - '86 and combines perfectly with the brown leather and top.

The 3.2 is probably the best way to enjoy an aircooled 911 carefree. The engine received an upgrade intake and exhaust, combined with DME ignition and Bosch L-Jetronic fuel system. The result is better performance and fuel consumption... With 231 hp and 284nm the 911 pulls to a 100 km/h in 6 seconds and hits the fuel limiter at 245km/u!

## Specifications

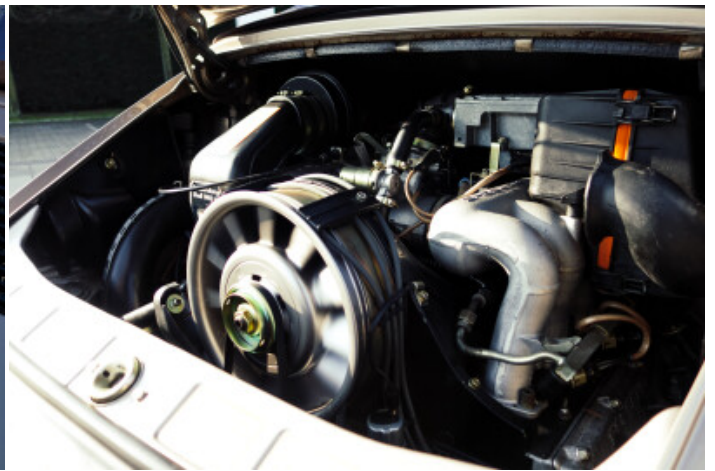

|                  |                   |
|------------------|-------------------|
