

1965

# Porsche 911 2.0 - '65 Project

Price on request

- Matching engine
- Matching gearbox
- Delivered new in California
- Great opportunity for restoration

## Restoration Project

This early 1965 911 is a beautiful car for restoration; complete with matching engine and gearbox. The engine was left untouched for a very long time but is complete with airbox and correct Solex carburetors.

It's a lovely combination of classic Light Ivory ( HellElfenbein -6404 ) over red Leatherette waiting for restoration or a new owner!

*Pictures as an example.*
