## **This 993 CARRERA S**

Originally supplied by Porsche Springfield, Il. and registered on 8th December 1997, this Porsche has been owned by the vendor since 2013. The car has been lovingly cared for by him and the 2 previous owners with all stamps in the service book. Clad in the lovely shade of Ocean Blue Metallic over Classic Grey leather with matching carpets, it represents a presentable, well documented, and uniquely specified example of Porsche's last air-cooled model—the bookend of 993-generation production.

As can be expected for such a low mileage example, the entire external bodywork emits a deep glossy shine overall with all glass and lenses remaining clear and free from any cracks or crazing. The paint is 100% original (see paint thickness measurement) and the entire front is covered with a transparent paint protection film to keep it perfect and damage-free at all times. The seats, door cards, switches, door cappings, dashboard and headlining are totally unmarked. Carpets and mats also remain in fine order.

Having been used sparingly by the vendor, this 993 Carrera 2 S is arguably, one of the best ever Porsche 911's produced, and even by today standards, certainly no slouch!

Launched in 1997 as a rear-wheel drive version of the Carrera 4S, Carrera S combined a widebody look with more power over the year's base model, pushing out 282 horsepower through its 3.6-liter "VarioRam" flat-six cylinder engine. It was specified from the factory with a suite of additional features which attest to its touring capabilities: traction control, cruise control, power sunroof, onboard computer and lightweight hollow-spoke wheels.

A history file containing these invoices accompanies the sale. This attractive 1997 911 Carrera S is further accompanied by its original manuals, maintenance booklet, tool roll, air compressor, spare, and jack.

The car currently has Belgian registration.

**CARFAX** Glossary
 [Back to Top](#)
[View Full Glossary](#)

**First Owner**  
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

**Ownership History**  
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**  
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

CARFAX DEPENDS ON ITS SOURCES FOR THE ACCURACY AND RELIABILITY OF ITS INFORMATION. THEREFORE, NO RESPONSIBILITY IS ASSUMED BY CARFAX OR ITS AGENTS FOR ERRORS OR OMISSIONS IN THIS REPORT.
